## **ATTENDANCE**

Daily attendance is important to your child's success in school. Students should try to be in school every day. If you know your child is going to miss school, please let us know so we can get work prepared for them in their absence.

Students should arrive at school between 8:35AM and 8:45AM and 12:55PM and 1:05PM every day.

As part of our attendance plan, each teacher will be calling home in to introduce themselves and encourage ALL students to be in school.

## **COMMUNITY SERVICE HOURS**

All High School students need to complete 25 hours of volunteer hours for graduation. If you have a volunteer opportunity that our students could help out with please let us know. We will advertise it and help our students meet this graduation requirement.

## **PARENT HANDBOOK**

The parent handbook contains valuable information about the school year. Copies were sent home the first week of school.

## **PARENTS AS PARTNERS**

Parents if you have questions or concerns please do not hesitate to call and talk to your child's teachers or to the administration. We want to make sure that your child is enjoying their time here and that they feel safe in the process. Our school has an open door policy.

## **LOST AND FOUND**

Through the year many items get lost or misplaced. If we find any items we will place them in the lost and found. Please call to let us know if you lost any items. Unclaimed items will be donated to Sister Faye in December and the end of June.

## **TUKTOYAKTUK DEA**

The TDEA will announce when they have upcoming meetings. We invite all parents to join as we work together to provide input and support the students at Mangilaluk School.

## **PARENT VOLUNTEERS**

We are always looking for help at the school. If you are able to volunteer your time for special events please let us know. We could use help in many areas. (Ex- Reading with students, cultural experts, etc.)

## **INDOOR SHOES**

Students should have a pair of indoor shoes for use in classrooms and a pair of outdoor shoes. All outside shoes should be taken off in the foyer. It is a good idea to write your child's name on the shoes.

## **BREAKFAST PROGRAM**

Students are offered prepackaged breakfast each morning as they arrive in their classrooms. Financial support and donations to keep this program going is greatly appreciated.

## **FIRE DRILLS/LOCKDOWN DRILLS**

Staff and students will practice these throughout the year. Students are reminded to wear proper footwear at all times in case we need to evacuate the building.

## **PICTURES AND VIDEOS**

At times, staff may take pictures of students engaged in various activities. If parents DO NOT want their child's photo to be published within the school, local newspaper or school website, they are asked to contact the school.

### **NUT-FREE**

Due to the allergies of some of the students, Mangilaluk School is a nut-free school. Please respect the health needs of others and refrain from bringing nut products for snacks.

### **PARENT TOOLKITS**

Parent Toolkits can be found on the BDEC website. They provide ideas on what parents can do to help their children succeed in school. If you would like a printed copy of this tool kit, please stop by the office.

### **HEALTHY LIVING INITIATIVE**

This school year our aim is to make sure that students bring water to school each day. Due to ongoing construction at Mangilaluk School, water fountains are discontinued at our school. While we wait for the water fill stations to be installed, we encourage parents to send students to school with a water bottle labelled with your child's name. We would like parents and the community to work with the Mangilaluk School Team to make sure students are not bringing unhealthy snacks to school such as slushies/combos, energy drinks, chips, pop, candy, and so on. If students bring these items to school then they will be asked to discard these items. Thank you for your ongoing support.

### **STUDENT LOCKERS**

Due to renovations and construction, lockers will not be used by our students this school year. Students are encouraged bring their items to class and take all their items when they leave. Students are encouraged to bring a book bag to keep their items in.

### **ACTIVE AFTER SCHOOL PROGRAMS**

Due to ongoing construction, the gym will not be accessible for Active After School program at the start of the school year. Active After School Programs will start up once the gym is open. Announcements will be made on our Mangilaluk School Facebook Page to inform the community once these programs start.

### **CULTURAL INTEGRATION**

The staff at Mangilaluk School are working very hard to integrate the Inuvialuit culture within the school system, specifically the language component. We encourage the parents, elders, and students to help the integration of the use of the language on a daily basis. Quyanainni!

### **CONSTRUCTION/RENOVATIONS**

As you are already aware, Mangilaluk School is undergoing some renovations. These renovations will be taking place all year. We have been working with the construction team to ensure that there is minimum interruption to their children's learning.

As renovations take place within the main area of the school, our classrooms will transition into temporary classrooms until the new classrooms are built.

As there are a number of sites near the school that are fenced off, we want to encourage students and members of the public to stay out of these fenced zones due to safety concerns.

If there are any big changes dealing with the school, we will be sure to let the public know on our Facebook Page.

### **LOOSE DOGS**

Over the past few weeks there have been a number of loose dogs roaming around the school yard. Many of our students are afraid to come to school because of them. Please try to support our school by keeping your dogs tied up.

### **PHYSICAL EDUCATION CLASSES**

Due to construction and renovations, our regular gym classes will be on hold until the gym is officially open. We have replaced our regular physical education program with a wellness/movement break. Outdoor movement breaks will take place weather permitting. We are asking that parents send their children to school with appropriate clothing for outside each day. ### **SCHOOL TRAFFIC NOTICE**

For the safety of our students, please make sure you follow the rules of the road when picking up your children. Traffic has become a huge concern at lunch time and after school each day with vehicles picking up students and leaving all over the place. Please help us by working together to make sure our children are protected and safe as they leave the building at high traffic times.

Our high school students are supervising in the front parking area at lunchtime and after school to ensure that students are crossing the road safely. These students are working towards earning high school credits towards graduation.

In addition, always remember to never pass the bus when it is driving or parked.

Thank you for your time and consideration.

### ELECTRONICS POLICY

Over the past two years, electronics have become a major issue at Mangilaluk School. It has come to the point where it has become a major distraction for our students to focus and learn the essential outcomes to be successful in their classes.

To ensure that student's get the most of their instructional time we be continuing to promote our electronics policy where students will not be allowed to use or have electronics present during their instructional time. If students choose to bring their electronics to class they will be asked to put them away. Failure to follow this rule can result in consequences. We are asking parents/guardians to help support this decision so that students can get the most of their instructional time and to keep them focused on classroom work. Thank you for your support.
